improvement of neighborhood streets."

Skubish said the neighborhood street work provided needed drainage which is required with motor fuel tax works and that adequate drainage may have prevented an outbreak of sleeping sickness.

Bitter Debating Both Nights

Debate on the issue was bitter both nights. Monday night, Nunn's proposal was approved 9-6-7, but there was an indication of more opposition Tuesday night when a resolution was submitted for spending sales tax for the projects. Voting for the use of sales tax Monday were Nunn, Mrs. Beine, Skubish, Basarich, Partney, Bergfeld, Pence and Moerlen and Mayor Davis. Against it were Whitman, Bartosik, Johnson, Boyd, Dallas, Sternberg and Thompson. Rutledge was absent.

No vote was taken on the resolution Tuesday because of the deferral action.

Both nights' debates were highlighted with heated exchanges between the aldermen and calls for points of order. Moerlen challenged the legality of the deferral action, saying there was no such rule for the type of action taken. Mrs. Beine said it was a matter of precedent.

Basarich said the charges of politics were expected. "We're all politicians," he pointed out. On Tuesday night, Basarich said the criticism was lousy and that he took exception to Sternberg's referral to the council as a bunch of knuckleheads.

Nunn told Thompson Tuesday night that he would let the voters know that Thompson was posing the delay by proposing the move to keep the street improvement at a later date.

Opinions also differed on whether the job could be done immediately, even under an emergency program.

Divorce Granted

A default divorce was granted to Kenneth Roody of Granite City from Carolyn Roody of Alton in Madison county circuit court this week. They were married Sept. 7, 1963, in Granite City, and separated last Jan. 17, he charged cruelty.

Oct. 31 Deadline for Same License Number

Motorists who wish to retain their present automobile license numbers have only nine more days to send their application to the secretary of state's office at Springfield. Deadline for such applications is Oct. 31.

William H. Chamberlain, secretary of state, said about 500,000 of such applications are expected to be filed and that about 150,000 of this number have

been processed. Mailing of plates in numerical and alphabetical sequence will start Dec. 1, he said.

He also pointed out that motorists registering 1965 model passenger cars must answer "yes" to the question concerning the presence of seat belts in the front seat of the car. Illinois law now requires that after June 30 of this year, no new car may be sold or registered in the state unless it is equipped with two sets of seat belts in the front seat.

Virgil L. Seymour, SWIU Staff Member, Dies at 40

Virgil L. Seymour, assistant to the vice-president on Southwest Illinois University's Quad-Cities-Edwardsville campus, died Wednesday morning in Firms Desloge Hospital, St. Louis, where he underwent open heart surgery five days ago.

Seymour had been on the SWIU staff since 1957. Prior to that he was superintendent of the St. Clair County Department of Welfare for five years.

PARKING FACILITIES for Schermer Bros. Market, Twelfth street and Madison avenue, will replace this brick tavern building now being razed. The building, and one behind it on Twelfth and Grand avenue, were purchased to provide additional parking space for the grocery store, which is shown in the background. Workmen will begin tearing down the other building Monday.

DeMolays Install Senior, Junior Officers Tuesday

The new master councilor presented the "DeMolay Hats Off" award to Mrs. Beasley and Advisor Robert Holton for their work.

"Uncle" Jimmy Stuart presented the past master councilor's jewel to the retiring master councilor, Terry Rochester, and the latter presented the new councilor his pin which is passed on from one master councilor to the next.

John Sterling, Alton, state senior councilor of Illinois DeMolay Association, was a guest of honor. Other speakers were Howard Prevett, Captain of the Host of Granite City Chapter 221, Royal Arch Masons, the DeMolay chapter sponsor, Roger Wade, worshipful master of Triple Lodge 835, George W. Lipscomb, senior wizard of Lodge 877, and Roy Wilming, ordinal guide of Alton Temple, East St. Louis.

DeMolay advisors present were Dr. Amos Rode, Claude Echols, Charles Chapman, George Slattery, Gilbert Watson, Roland Kennedy, Raymond Henley, Charles Meyer, Robert Holton, Wilming, Harden Jackson, George Lipscomb, Roger Wade and James St. Louis.

Rev. Robert Leonard, associate pastor of Niedringhaus Memorial Methodist Church, gave the benediction and dancing followed. Refreshments were served.

Bogdan Gagich, 76, Dies; Ill 5 Years

Bogdan Gagich, 76, of 1508 Mark street, Madison, died in St. John's hospital, St. Louis, early this morning. He had been ill for five years with heart and lung ailments and had been a patient in the hospital six days.

Mr. Gagich was a native of Yugoslavia. He moved to Granite City from Alton 40 years ago and worked in this area as a building construction laborer. He retired ten years ago but retained his membership in Laborer's local 42 of St. Louis. He was a member of the Serbian Eastern Orthodox church of St. Louis.

He is survived by his wife, Christina Gagich, a daughter, Miss Helen Gagich, Madison; two sons, Susan Gagich, a Granite City police officer; and John Gagich, also of Granite City, and five grandchildren.

An obituary notice is listed elsewhere in this issue.

Gerald H. Arras, 63, Found Dead at Home

Gerald H. Arras, 63, of 1539 Fourth street, Madison, was found dead in his home at 8:30 a.m. Wednesday. Mrs. Arras had been in failing health but had not been seriously ill. An inquest will be held to determine the cause of death.

Mr. Arras retired last June as a cashier of the First National Bank in Madison where he had been employed for the past 18 years. He was a lifelong resident of Madison and was a member of St. Mary's Catholic Church in Madison.

He is survived by an aunt, Mrs. Clara Rumpf of St. Louis, and four cousins, all of St. Louis. Funeral services are listed in the obituary column elsewhere in this issue.

Harris Given Second 18-Month Service

(Special From Springfield) Ralph Harris, 44, of 2029 Madison avenue, was sentenced to a second term of 18 months in federal prison Tuesday by Federal District Judge Omer Potts at Springfield after he pleaded guilty to passing counterfeit \$20 bills in Arkansas and Florida.

Harris was sentenced to the first 18-month term on another counterfeit charge last run concurrently in a prison yet to be designated. He currently is in the custody of the U.S. marshal.

Playground Annexation Approved by GC Council

The 20-acre playground tract east of Shamrock Gardens was annexed to the city during Tuesday night's carry-over meeting of the Granite City council. A request had been submitted last month by the park district.

The council also agreed to the dedication of a 60-foot right-of-way for the extension of Maryville road from Stratford lane to St. Clair avenue, requested by HWR Development Co., Henry Ross, president. The city also accepted a 15-foot easement from Ross for a drainage line in Shamrock Gardens which also will serve the Maryville road extension.

Referred to the Plan Commission for a hearing Nov. 12 at 1:15 p.m. in the city hall was a zone change request by Morris Roney for an R-5 (multiple unit, 20th street between 10:30 p.m. and 7 a.m.)

Woman Sues Husband Driver for \$25,000

A Granite City woman is suing her husband for \$25,000 for injuries received in an auto accident, and her father is suing him for an additional \$5000, according to a complaint filed this week in circuit court.

The plaintiffs were listed as Mrs. Diana Meszaros, by her father, Clarence Cox Jr., and the father, and the defendants are John Meszaros and Joyce F. Taylor.

The Meszaros and Taylor car was involved in an auto accident last Dec. 26 on Namur road near Garfield avenue when the Meszaros were married. The then Miss Cox was a passenger in Meszaros' car and claims he was guilty of speeding, driving in the wrong lane and turning in front of the Taylor car. She alleges severe and permanent injuries.

Grand Jury Recalled To Hear Murder Case

The Madison county grand jury has been recalled for another session starting Monday to consider a new accusation of criminal cases. Fifteen persons have been named in seven felony charges since Sept. 17 in the Quad-Cities.

One of the cases will be that of Wilfred C. Bennett, 29, of 2800 (rear) Idaho avenue, charged with the murder of Frank LaLata, 28, St. Louis taxi driver, on Sept. 16.

A preliminary hearing which was scheduled for Bennett on Monday was postponed until next week upon the request of the county sheriff. Bennett has been in custody at the Madison county jail since his extradition from St. Louis where he was captured.

Arrested on Scene of Leaving Accident Scene

Jerry Baugus, 29, of 2209 Benton avenue, was arrested on charges of leaving the scene of an accident and driving without a driver's license following an accident at 9:45 a.m. Wednesday in the 1800 block of State street.

Police said Baugus struck a car driven by Edward Holbe, 945 Niedringhaus avenue, as Holbe stopped to park, and then left the scene. Witnesses obtained the license number of the car and police later arrested Baugus who's plea of guilty was taken under advisement until Nov. 10 and he was released on \$500 bond.

Knocks Down Signpost

Charles Wofford, Rural Route Two, reported to police that his automobile skidded sideways and knocked down a state signpost on Route 3 at the entrance of the A.O. Smith plant at 3 p.m. Tuesday. Wofford said a truck stopped suddenly in front of him and when he applied his brakes his car skidded into the post.

Warehouse Window Broken

The Tri-City Tobacco Co., 2616 Kate street, reported to police Wednesday that a glass window on the south side of the company's warehouse was broken out. Preliminary inventories indicated nothing was taken.

Fined in Traffic Case

A fine of \$25 was assessed against Robert Emery, 19, of 1620 Venice street, reported to police Wednesday that he was driving on Emery's plea of guilty to a charge of leaving the scene of an accident. Emery was arrested Oct. 11 on Washington avenue.

Fire Demolishes Old Venice Post Office

The old Venice post office building on Main street, estimated to be between 60 and 70 years old, was intentionally destroyed by fire Tuesday evening while Venice firemen stood by.

The building, a one-story, frame structure, was gutted by fire of undetermined origin about 10 days ago, and because of its age no plans were made to make repairs. William Mehan, chief of the Venice fire department, said the owner requested the building be leveled and gave written authority to burn it down.

The fire was touched off with fuses around the base of the structure. The destruction took about four hours, and firemen left the scene shortly after 10 p.m.

Firemen said an alert neighbor who saw the flames, but apparently didn't see the fire truck, turned in an alarm while the blaze was at its height.

Guest Speaker Tonight At Niedringhaus Church

Rev. Clyde Funkhouser, district superintendent of the East St. Louis District of the Methodist Church, will be guest preacher in a special service at Niedringhaus Memorial Church, this evening, at 7:30. This will be the concluding service of this week's United Witness for Christ program.

Special music will be presented by the combined youth and chorale choirs, directed by Warren G. Simpkins.

Dr. Funkhouser will be delivering his first sermon to the congregation since becoming superintendent last June.

Rev. E. Paul Sims, minister, said the public is invited.

Both Moerlein and Johnson said they have received bids for their room rent at the new hotel, New York City, on their last night there Oct. 2. The plan to flight had been delayed because of bad weather.

Both Moerlein and Johnson said the Kohn-Sanderson firm had little information on cost and maintenance of sewage treatment plants with their stainless steel coil spring filter priced at \$131,100, and that with the Eimco filter, listed on the specifications as an alternate the city could save \$10,000 by using its stainless steel filter of a different type system, and \$27,700 if the machines had cloth filters.

They added that they were unable to get much data on the Kohn-Sanderson and the operators of their equipment while inspecting the factory and the installations at sewage treatment plants in New Jersey and New York.

"There was always an odor at the treatment plants, and that something the Army Depot said wasn't wanted if they had to build the city treatment plant on the depot's property," Moerlein said.

The two engineers said that on the visit to Ogdin they were supplied with considerable information and that treatment plant operators with Eimco filters were most courteous and the manufacturing plant was modern in every respect. They noted the plants had no odor.

Representatives of Kohn-Sanderson, Butler, E. A. Sumrell of St. Louis, and Eric Hammarstrom, engineer from the New Jersey plant, said odors could be controlled through the use of chemical necessary at treatment plants.

Robert Maddock, representative of Eimco, showed a sound, color film on Eimco filters to the council last night.

He added that his firm was a leader in the New Jersey committee and specialized in industrial filters before adding sanitary sewage equipment. Both firms have industrial type filters at Union Starch & Refining Co.

At Monday night's council session, when it was decided to call the special session for last night, Engineer E. J. Juneau, city project engineer, recommended the Kohn-Sanderson filter for lower operating and maintenance costs.

Last night Juneau was joined by Leonard Crawford of the consulting engineering firm of Crawford, Murphy & Tilley. He said both companies were reliable and that the Kohn-Sanderson filter was believed to be best for the city's type of operation, because it was heavier equipment and had a 20-year life for the steel coil filter.

The Eimco salesman said cloth filters cost about \$300 each and that the city would use about 38 in a 20-year period.

Committee Recommendation

The alternates recommended by the Special Pollution committee added up to a \$39,850 savings, plus interest fees that could be saved over the 30-year period of the bond issue.

Other savings suggested, and accepted by the project engineer, were \$800 for circular sludge collectors, \$280 for plastic 16-inch force main, \$850 for aluminum windows for the building and \$350 pumps by an alternate manufacturer.

Johnson stressed both Monday and last night that the committee was interested only in saving the taxpayers' money.

Moerlein challenged Mayor Davis Monday night after the mayor urged the council to support the engineer's recommendation for Kohn-Sanderson.

Mayor Davis said Monday night he usually didn't agree with En-

gineer Juneau, but that his visit to New Jersey convinced him the Kohn-Sanderson filter was a good one. Moerlein said Davis spent most of his time with Kohn-Sanderson while the committee was inspecting the plants. The mayor did not visit Eimco's Ogdin plant, Butler told the Press-Record.

But Moerlein said that Kohn-Sanderson has eight installations within an hour's drive of Granite City.

At Monday night's meeting, when it appeared the committee's recommendations would be voted on, Johnson asked for reversal of roll call procedure. Alderman Norn is the lead-off voter normally and he has indicated he was with the mayor in favor of Kohn-Sanderson.

The low base bid by Nelson Construction Co. amounts to \$1,268,432, from which the alternate deductions would be taken. Nelson has been at the council meetings regularly since the bid opening in September. In one crash four persons were injured and one died, to begin construction while weather permits and that the filter decision could be made at a later date under a change order.

City Atty. George Fiehoff Jr. gave an opinion last night that award of the contract would have to be at a regular meeting and not a special session. Moerlein said the contract award would be brought up at next Monday night's session.

Last night's session was the third meeting in three nights for the council.

Driver in Crash Charged

Dallas A. Lee, 25, of the 180th Engineer Co., Army Depot, was charged with reckless driving after his car struck the rear of one driven by Donald C. Bond, 32, Rural Route One, who slowed to permit another auto to make a left turn at 4:30 p.m. Wednesday. Both cars, headed west on 20th street at Adams street, were damaged.

16 Persons Hurt In Area Traffic Crashes this Week

Sixteen persons were hurt in six of 16 traffic accidents occurring in the Quad-Cities area this week. In one crash four persons were hurt and in two others there were three injuries each.

Two large tandem trucks owned by Paul Seebold Co. and a passenger car were damaged. The driver of the passenger car was injured severely and one of the truck drivers was arrested as the result of an accident in the 2400 block of Missouri avenue at 3:10 p.m. Tuesday.

Injured was Mrs. Ruth Morgan, 37, of 3222 E. Johnson street. The auto which was struck head-on by the truck driver, Howard L. Jordan, 30, Rural Route One, Mrs. Morgan was admitted to St. Elizabeth Hospital where it was said she suffered pains in the chest, head, ankle, left knee, back and left hand and cuts to her scalp, left thumb and left wrist.

Jordan was arrested on charges of reckless driving and driving on the wrong side of the street. He posted bond for a hearing in magistrate's court Oct. 31.

Police said a tandem truck driven by Stanley Anderson, 40, Warden, was towing the truck driven by Jordan south on Missouri avenue. Anderson apparently pulled toward the middle of the street to avoid a parked automobile and Jordan, in following, pulled into the left lane and struck the Morgan car which was headed north.

Admitted To Hospital

Four persons were injured at 10:35 a.m. Wednesday when an auto driven by Juanita Thompson, 31, of 1846 Poplar street, and Larry Ramsey, 23, of 2606 Cayuga street, collided at Maple and St. Louis streets.

Injured were Mrs. Thompson, severe scalp lacerations; Mrs. Eunice Deber, 32, of 1831 Spruce street, a forehead cut; Donald Youngman, 9, of 1846 Poplar street, pains in the right shoulder; and Mrs. Betty Robertson, 36, of 1846 Poplar street, a cut to the forehead and back pains. All were passengers in the Thompson car and were admitted to the hospital.

Ramsey told police he was headed south on Maple and was unable to avoid striking the Thompson car, which pulled in front of him from St. Louis avenue. Mrs. Thompson was charged with failure to yield right-of-way.

Three persons received minor injuries in a collision at about 3:30 p.m. Tuesday at 2936 Grand avenue. The accident occurred when a car driven by Peter D. Dittorf, Stamboldville, 49, of 2202 Madison avenue, struck a parked car owned by Grace Colwell, 3019 Buxton avenue. Stamboldville was headed south and the parked car was facing north, police said.

Injured were Stamboldville, who suffered an injury to the left side of his forehead and pains in his right shoulder; his wife, Blaga Stamboldville, 47, who suffered a nose injury; and their daughter, Dimitrina, 16, who also suffered a nose injury. They were given treatment at St. Elizabeth Hospital.

Two Drivers Injured

Marilyn Rupp, 18, of 66 Oaklawn avenue, and Thomas Anderson, 25, of 2259 Grand avenue, were injured when her car struck the rear of his while it was halted behind traffic at a stop sign at 6:40 p.m. Monday at Johnson and Namook roads. Both were headed south on Namook.

They were taken to St. Elizabeth Hospital where Mrs. Rupp was admitted with pains to the head, left jaw, both knees, left upper arm and elbow. He was treated for a pain in the lumbar-sacral spine and was released.

Auto Hits Pole, 3 Hurt

Three persons received minor injuries at 11:30 p.m. Tuesday when a car driven by Gary L. Ingraham, 20, of 1714 Grand avenue struck a telephone pole at a curve on the 4100 block of Lake drive.

Ingraham and his two companions, Bobby Lee Motes, 17, of East St. Louis, and Charles Nichols, 21, of Hudson, N. C., were taken to St. Elizabeth Hospital by Pontoon Park Police Chief Douglas Harvey and Capt. M. Henley, who were summoned by telephone.

According to Chief Harvey, the vehicle, a 1936 model, had considerable damage to the front end and right rear fender and nose.

Halloween Paintings on Display Here Tomorrow

Halloween paintings will go on display tomorrow in windows of businesses in downtown Granite City, the Bellemeor Shopping Center, and the Namook Shopping Center.

The paintings are from a total of more than 2300 submitted in the 12th annual Associated Retailers contest for junior high and senior high school students in Granite City.

The 502 for display will be selected tonight at judging in the art department at Granite City High School. Judges will be Mrs. A. J. Mueller Jr., Sylvester Dulgent, Henry Gabriel, and Dan Todoroff, assisted by art director Eugene Allessi and his staff.

Cash prizes will be awarded for the top painting in the junior high and senior high divisions.

Qual-Citizens were among spectators who waved at, listened to and shook hands with President Lyndon B. Johnson yesterday afternoon and evening as the No. 1 Democrat brought his election campaign to Scott Air Force Base, Belleville, East St. Louis and St. Louis.

Accompanying him were a large and welcoming group members included County Democratic Chairman Walter Simmons and City Clerk William M. Elwood, both of Venice; Chief Costoff, Madison alderman and Venice township Democratic chairman Circuit Clerk Willard Portell, Granite City; and Mrs. Ida Dant, Madison state central committeewoman.

A brief talk was made at an East St. Louis street corner, with longer addresses by the President at the Belleville public square and in downtown St. Louis. He had visited former President Truman earlier yesterday, and in his campaign here in this area included U. S. Senators Douglas of Illinois and Stevenson of Louisiana, Missouri, Governors Kerner of Illinois and Dalton of Missouri and Clegg Price.

Except for the stops, crowds obtained only a fleeting view of the President and his wife, who occupied the back seat of a sedan. The tour ran about an hour behind schedule and his car's speed at one point reached 70 miles an hour.

Clarence Briggs, 59, Dies Here of Cancer

Clarence Briggs, 59, of 2127 Grand avenue, died at 11:05 p.m. Tuesday in St. Elizabeth Hospital at following an illness of five months. Death was due to lung cancer.

Mr. Briggs was born in Dow, Ill., and had been a resident of Granite City 45 years. He was employed in the gas division of the Illinois Power Co.

He leaves his wife, Sylvia Fay Briggs, a son, Glen Thomas at Granite City; three sisters, Mrs. Mary Bunn, Mrs. Dorothy Rogers and Mrs. Abner Rivers; and three grand-children.

Funeral services are listed in the obituary column.

Vandals Destroy Tree

Madison police reported today that vandals broke off a tree on Ewing avenue at Third street some time Wednesday night. It was one of those planted in Madison's tree-planting program.

Vandal Breaks Aerial

Charles Meyer, Edwardsville, reported that between 7:30 and 10 p.m. Wednesday a vandal broke the aerial off his 1950 auto parked at 3000 Iowa street.

was towed from the scene. Ingraham and his two companions, Bobby Lee Motes, 17, of East St. Louis, and Charles Nichols, 21, of Hudson, N. C., were taken to St. Elizabeth Hospital by Pontoon Park Police Chief Douglas Harvey and Capt. M. Henley, who were summoned by telephone.

According to state police, the accident occurred when a pickup truck operated by Charles Crews, 34, of 2211 Bryan avenue pulled from the shoulder and collided with the front of Mrs. Arbogast's northbound car, forcing it into a southbound vehicle operated by Blanche D. Elble, Wood River. The Arbogast auto was towed from the scene.

Both Arbogast and Crews were injured, with Mrs. Arbogast bruised to the left elbow, hips and both arms and Kirk suffered injuries to the head and nose.

William Cross Shoots Wife, Self in Ohio

Mrs. Laverne Cross, 40, formerly of Venice, was in critical condition in Ohio Valley Hospital at Steubenville, Ohio, today of a bullet wound inflicted Tuesday night by her husband, William "Bud" Cross, who then shot and critically wounded himself. Cross is a former resident of Granite City. He is 44.

Sheriff's officials at Steubenville told the Press-Record early this afternoon that little hope is held for Mrs. Cross' recovery. Cross was reported in improved condition at noon today.

The shooting happened in Bud & Laverne's Tavern, operated by the couple, on the Riddle-Run road, outside the Steubenville city limits, at 11:20 p.m. Tuesday in the presence of a sheriff's deputy who had gone to the tavern to serve Cross with a warrant on complaint of Mrs. Cross. The warrant charged Cross with threatening his wife.

Fires at Wife

Deputy Sheriff James Irvin said he went to the tavern and read the warrant to Cross, and as he was doing so, Cross drew a .32 caliber automatic from his pocket and fired one shot at Mrs. Cross who was standing nearby. The bullet struck her in the head, ran down and emerged from the jaw.

The deputy said that before he could act, Cross turned the gun on himself and fired one shot into his right temple.

Mrs. and Mrs. Cross were married in Granite City 15 years ago. Cross at that time was a

'Y' Seeks Teams For Church Loop

A boys' church-sponsored basketball league is planned for this season by the YMCA, youth director David Walker announced today.

Competition will be in the following age divisions: Midget, 11 and under; Juvenile, 13 and under; Intermediate, 17 and under. All divisions will play a 12-game schedule, one contest per week, with a holiday tournament mid-way through the season.

Any church in the Quad-City area is eligible to enter teams to be held in the YMCA Youth Department: Midget, 7 p.m. Tuesday; Juvenile, 7 p.m. Wednesday and Intermediate, 7 p.m. next Thursday.

All participating boys must attend Sunday school or regular services of the church they represent three of four Sundays each month during the league's operation.

The program will be directed by Clarence Hamilton of East St. Louis, who has conducted similar leagues over the past 10 years at various youth centers. Further information may be obtained from Walker at TR 6-7200.

Boosters Club Taking Reservations For Bus Trip to GC Game at Quincy

About 14 seats are still available for the chartered bus trip to Quincy, sponsored by the Boosters of the Fighting Warriors, for the Granite City high school football game there Nov. 6.

The club plans to take a fully equipped 30-passenger bus on the 130-mile trip, leaving at 4:30 p.m. that Friday. Reservations may be made by calling Mrs. Valerie Evenden, TR 6-7386, with the cost \$4.20 per person. If the demand is great enough, a second bus may be chartered.

Vice-president Cameron Varr-Buchik announced the annual GCHS fall athletic banquet will be held Tuesday, Nov. 24, with a smorgasbord at the high school cafeteria. Tickets will be \$2.00 and are available shortly from club members.

The club's next regular meeting will be at 8 p.m. Nov. 24 at the YMCA with a dinner meeting.

GCHS Sohps Beat Wood River 26-7; Key Back Injured

Ronnie Turner got off two long touchdown runs Monday as the Granite City high school sophomores defeated Wood River 26-7 here. It was the fourth win against one loss for the sophs.

Turner raced for TDs on 78 and 93 yard gains, both on off tackle plays. The first came immediately after Perry Yates' outstanding halfback and line-backer, was sidelined for the season by a dislocated left elbow late in the first half.

Coach Leon Chappell said the absence of Yates will leave a big gap in the sophs' defense as they bid for the Southwestern Conference title. The team plays at East St. Louis in a crucial game Monday.

Other touchdowns came on a 20-yard return of a blocked punt by end Rich Hensley and a 16-yard run by Yates before his injury. Ann Partney kicked two extra points.

Granite City gained 310 yards in the game, all by rushing.

Grandma Pixie

Picks 'em

Your little old Granny was frowned upon last week by Granite City folks, just for picking Wood River to win. But anybody can get devilish once in a while.

I was only joshing (I must admit, though, I did giggle just a little when Wood River won their game. After the game some big nut smarty-pants said "Ho, ho, Granny, what dya think a dat!" and super-slapped me on the back. I would have poked at him with my knitting needle but my teeth fell out and they're expensive, honey. Big dope didn't even help me look for them.

And, of course, I picked Madison to win and the dear boys lost. Land sakes, pick 'em to lose and they win — a sad state of affairs.

This time I compromised and picked both to lose. Tootle-oo—

First 'Town Hall Meeting' Will Deal With Big Ballot

Plans have been completed for the first in a series of "Town Hall Meetings," sponsored by the Quad-City Ministerial Association to encourage citizenship in this community. It will be held Tuesday, Oct. 27.

The meetings will be open to the public, and wide participation is being sought. Civic clubs, parent groups and other organizations are being urged to be represented.

The initial session at 7:30 p.m. Oct. 27 in fellowship hall of St. John United Church of Christ, 2501 Nameoki road, will feature explanations of the at-large state representative ballot to be submitted to Illinois voters Nov. 3.

Harris, Smith To Speak
Speakers will be State Representatives Lloyd C. Harris (D-Granite City) and Ralph T. Smith (R-Alton).

Purposes outlined by the ministers in planning town hall meetings for the Quad-Cities are: 1. To conduct non-partisan educational programs with the prime purpose of helping our citizenry to attain a better understanding of local, metropolitan, state and national issues and problems affecting the welfare of the people.

2. To secure speakers competent in their particular field who will present their respective points of view on the topic under discussion.

3. To provide for a question-and-answer period that will strive to imitate the historical "Town Hall" atmosphere that played such a vital role in the early days of the democracy.

A spokesman commented that "these clinics on citizenship will not endorse or seek endorsement from persons attending. Rather, the intent will be to give information and facts, determine basic issues and answer questions that will enable each interested observer to make up his own mind."

"The underlying premise of this effort is the fact that an informed citizenry is an absolute prerequisite for an effective democracy. Toward this end, clinics will be held periodically. Voter information will be circulated for the benefit of those not attending the clinics, resumes of addresses and highlights of the question periods will be made public."

Ball Bonds Reduced

Ball bonds of \$1000 cash were lowered to \$250 cash or \$2500 property for Thomas Hartup, 22, and Robert Hinkle, 19, both of St. Ann, Mo., who are charged with stealing and cashing a \$100 payroll check taken from the lunch bucket of a General Steel Industries employee. Unable to post the reduced bail, they were taken to the Madison county jail at Edwardsville on Monday. They were arrested Friday and were bound over to the county grand jury.

HONORED by Pentecostal Church Sunday school for a perfect attendance record of 17 years is Donald L. Murphy, 2553 Ivy lane.

Murphy is Honored For Perfect Attendance

A dinner was given this week at the Dewey avenue and 25th street Pentecostal Church honoring Donald L. Murphy on the 17th anniversary of a perfect Sunday school attendance.

Among those attending were Rev. and Mrs. Nick Haynes, who are now residing in Largo, Fla. About 60 friends and their families were present.

During his two-year term of duty in the Army Murphy's record was not broken as he attended classes each Sunday, including field services and services aboard ship enroute to Germany.

Alfred Murphy, father of the honoree, has been superintendent of the Sunday school for 17 years, but resigned Oct. 4 due to ill health. The son, an employee of the J & R Auto Supply Co. for the past ten years, resides at 2553 Ivy Lane with his wife, Marie, and their two children.

Rev. Ross Smith is pastor of the church.

6 GC Students to Play In String Festival

Six Granite City junior and senior high school students will attend the First String Orchestra Festival sponsored by Southwestern Illinois University at its Alton center Saturday. Mrs. Esther Vassileff, music instructor for Granite City schools has announced.

Violinists Phyllis King, Aneta Mosley and Donald Boale, along with Donald Shennell, who plays bass, will represent the senior high school. Violinists Michael Dixon of Central junior high and Marcia Gibbs of Prairie junior high will also attend.

John Kendall, SIU professor of string development, will direct the festival. Students will receive instruction in orchestral bowings, special string effects and interpretive phrasing, and rehearsals in the gym will be taped for the students to hear during an afternoon evaluation session. Observers will be welcome.

New Council Committees Ok'd by Vote of 9-to-6

Only two changes were made by Mayor Davis in presenting new committee appointments to the Granite City council Monday night. He had sent out advance copies to the aldermen last week. The new committees were approved by a vote of 9-to-6.

Aldermen Earl Thompson, who with Whitmer had been dropped from the Street committee, along with the dumping of chairman G. H. Sternberg, was given a post. Thompson had not been named to any committee originally, and was placed Monday night on the City Hall committee.

In a clean sweep of the Street committee, Davis stuck to his original proposal of Nomm as chairman, serving with Bergfeld and Mrs. Betinec.

Other committees are (with the chairman listed first): Finance — Rutledge, Moerlen and Bergfeld; Ordinance — Mrs. Betinec, Moerlen and Nomm; Police — Whitmer, Basarich and Johnson; Fire — Johnson, Dallas and Boyd; Light — Basarich, Sternberg and Bergfeld; Planning & Zoning — Partney, Boyd and Sternberg; City Hall — Skubish, Thompson and Bartoskiak; and Legislation — Mrs. Betinec, Dallas and Skubish.

Voting against the mid-year change in committees were Partney, Whitmer, Johnson, Boyd, Sternberg and Thompson.

Initial steps to raze 15 of nearly 100 dilapidated buildings in Granite City were taken Tuesday night by council members with the adoption of 15 separate resolutions.

The city has a contract with the Morris Chapman law firm to handle the condemnations, and the resolutions declared the following structures to be unsafe, unsanitary and hazardous to the health of the community and to be ordered to be removed or torn down:

2140-42 and 2144-46 Washington avenue, 2727 Myrtle avenue, 2117 Illinois avenue, 2607 Lincoln avenue, 2820 Marshall avenue, 2028 Twelfth street, 2227 Grand avenue, 2838 Circle drive, 2939 Victory drive, 2207 Benton street, 2126-22 Benton, 2817 Palmer avenue, 1731-33 Grand avenue and 2136 Missouri avenue.

The structures have been inspected by city officials. Alderwoman Betinec asked for the resolutions to be placed on first reading, but Partney called for final approval, pointing out the condemnations have been sought for several years.

Jehovah's Witnesses Convention in Mt. Vernon

A convention for Jehovah's Witnesses will be held Friday through Sunday at Mt. Vernon township high school. It was announced by Francis Clanton, local presiding minister. Friday's program begins at 6:45 p.m.

dent's. They warned that if the board of auditors wishes to continue its present policy of ignoring their wishes, petitions will be circulated to force a referendum.

Install Along Streets
Many of those present opposed the plan to install sewers along streets rather than easements at the rear of residential lots.

Engineer Harold G. Moe of the Lochner firm — whose planning has been financed by a federal grant — said a 40-foot-wide strip is needed during sewer installation and that a single property owner could block construction at the rear of lots in a particular area. Some residents said they would be willing to accept the task of seeking unanimous consent from their neighbors, rather than risk damage to streets.

Moe estimated that installation would take 18 to 24 months to complete. He said it had been hoped to start next spring, but that a referendum would delay this to late summer.

Gitchoff said three separate sanitary sewer systems would be installed — one at State Park place, another at East Madison and Cloverleaf, and the largest including Gorbie, New Haven, Wilshire, Bellefont, Pontoon Beach and Miracle Manor. There would be economies from consolidating the three collection and administrative processes into one, he explained.

4%—4 1/2% Interest
Growth potential of the latter area may enable the township to obtain a bond interest rate of 4% to 4 1/2% from the Nonpartisan company, Gitchoff said. Lack of previous township bond issues — in effect preventing it from establishing a "credit rating" — is viewed as making the township a relatively poor bond risk, the attorney added.

Briggs said connecting onto the sewers is not mandatory and there are no present plans to require it. However, Gitchoff said he would recommend passage of an ordinance making tap-ons mandatory. The attorney expressed doubt that individuals would be permitted to retro-

their share of the debt at an accelerated pace to save interest. Another legal opinion, agreed upon by Gitchoff and Thies, was that the town board could increase or lower the monthly sewer fee — now estimated at \$4.66 — after the program is in effect. The estimate two weeks ago was \$4.36. Examples cited were a higher fee if a sewer line collapsed and had to be repaired, or a lower fee if a large number of new homes are built.

Reserve funds also could be used for other improvements, the 40-year bond debt is retired, it was reported.

Moe reviewed the sewer planning and stressed that the rate estimate and the size of the revenue bond issue remain tentative pending Pontoon Beach action and determination of the number of users. Briggs said he believed the latter figure can be based on the number of "signers" during neighborhood surveys.

Oppose GC Sewer Extension
Briggs said he had been informed that the Press-Record wants to "extend Granite City to the bluff" and Gitchoff said Granite City cannot add to its sanitary sewers until it meets sewage treatment requirements.

Moe said the sanitary system is being designed to accommodate future growth in an area between Highway Three and 111. New York Central tracks and the northern limits of the township. He estimated the population potential as 14,200. Other figures mentioned included a \$100 tap-on fee, yearly interest costs of \$80,600 and yearly maintenance-operation costs of \$30,100.

Asked how relief recipients will be able to pay for sewers, Briggs said this should be no problem, since the Namoki township relief load is constantly shifting and no one family remains on the rolls for a long period.

Effect On Yards, Basements
Comments during the three-hour discussion included displeasure over the prospect of yards being dug up and basement paneling being affected by sewer lines. Moe said sewer depth will range from 10 to 14 feet, averaging 10 or 11.

A spectator noted and Moe agreed that there had been a \$40 one-month sewer charge in the Swansea area. The engineer said the number of dwellings and other buildings in the township

were counted through aerial photographs taken in March. He said a flat fee is planned rather than basing the charge on water usage, since there are four different water districts and many private wells in the township.

Gitchoff said it had been planned to present the bond ordinance for information purposes Monday night, but this was not possible due to the bond attorneys' ruling that specific authority is needed to include the village of Pontoon Beach. He said an unqualified approving opinion from Chapman & Cutler is necessary to sell the proposed bonds.

Storm Sewers Later
Briggs disclosed during the meeting that township officials are considering a stormwater drainage program at a later date, but said it will have no connection with the sanitary sewers and sewage treatment plants.

Spokesmen for civic groups Monday night included Carl Macios, Michael Ropac and James Selinger for Wilshire, Thomas Keith for the Gorbie area and Keith Hart and William Gary for New Haven.

The meeting was held in the garage area of the town hall due to the size of the crowd, and a posted map of proposed sewers on the wall. No other business was transacted by the town board.

Health Hazards
The letter from Klassen cited sewage waste discharges in to Long Lake, road ditches and surface areas due primarily to inadequate septic tank systems, causing health problems and potential pollution of waterways. As outlying residential areas build up, septic tanks tend to overflow and saturate the ground, creating potential breeding places for flies and constituting a public health hazard, the state engineer related.

Villages and townships have responsibility for sewage and water disposal, he added, with townships having responsibility for sewer "planning and leadership" in unincorporated areas.

Boyer Installed Head Of K. of C. 4th Degree

Marvin Boyer was installed to his second term as faithful navigator of the fourth degree assembly of Tri-City Council 1088 of the Knights of Columbus, during ceremonies Wednesday night.

Others installed were Walter Christiansen, captain; James DeFuria, pilot; Harry Hadley, controller; Henry V. Kahn, sr., inner sentinel; Donald Stanton, outer sentinel; and Leo Portelli, admiral. Robert Meisner of Breese, worthy master of the southern Illinois district, was installing officer, and Bernard Koppers of Carlyle was installing marshal.

Final plans were made for the assembly's 50th anniversary celebration on Nov. 8. A corporate communion and breakfast for members and their wives will be held at the 10 a.m. Mass at St. Mary's Greek Catholic Church, with the breakfast to follow in the church hall.

A dinner-dance will start at 6 p.m. with cocktails at the K. of C. club, with serving at 7 p.m. and dancing at 8 p.m. The affair will be informal for women and optional for members. Reservations may be made until Nov. 1, with Marion E. Bartoske.

Those attending the hour of adoration for East St. Louis Holy Name Society on Sunday at the Shrine of Our Lady of the Snows were advised to be at the shrine by 1:15 p.m.

Members were invited to attend a formal dinner dance at 6:30 p.m. Nov. 14 by Leonard Kampwerth, faithful navigator of the Carlyle assembly, a guest. It will be held at Breese.

The assembly will hold its holiday special meeting on Nov. 18.

Fined for Speeding
Jimmie Vaughn, 48, Edwardsville, was fined \$15 and \$3 costs Wednesday by Magistrate Gasparovic on a charge of speeding filed on Sept. 29. Vaughn was arrested in Namoki township on Route 162.

Madison Post Office Needs Substitute Clerk, Carrier

Madison residents who are interested in a career appointment in the U. S. Postal Service as a substitute clerk and substitute carrier at the Madison post office, can get the necessary application forms at the post office. Starting pay is \$238 per hour and a written test will be required.

Applicants must be 18 years of age, or a high school graduate. No maximum age limit is set.

RC Cola Elects Astronaut

John H. Glenn Jr., first U. S. astronaut to circle the earth, was elected as a director of Royal Crown Cola Co. at a regular meeting Monday in New York. The firm, which has a local bottling and canning plant, announced January 1 September earnings of 71 cents a share, compared to 47 cents a year ago, with soft drink sales running 17% ahead of 1963, led by a 50% gain in Diet-Rite Cola sales.

\$12 Taken from Home
Lawrence Ruder, 2808 Palmer avenue, reported the theft of \$12 from a dresser drawer in his home Tuesday night. Ruder told police he returned home about 9 p.m. and found a small bank had been tampered with and about \$2 in change taken. A \$10 bill in the drawer also was taken, but nothing else was missing.

Mental Health Clinic Staffs to be Expanded

Because of increased attendance at the Granite City and Alton clinics of the Madison County Mental Health Society, the agency's operating budget for the new year has been increased from \$88,000 to \$105,000 to permit expansion of the clinic staffs, H. D. Karandjeff, president of the society, announced today.

Karandjeff said that he has received word from the state that it will increase its share of the budget by \$4000 of the \$8000 increase that was requested, and that several of Madison county's United Fund agencies have promised increased budget allowances.

The Granite City and Alton clinics serve all of Madison county and are financed about 60% by the state and the balance by United Funds of the Quad-Cities, Alton and Wood River, Edwardsville, Glen Carbon, Troy and Collinsville. Many persons also obtain memberships in the society to be helpful, Karandjeff said.

The clinics now are staffed by 14 persons, half serving in Granite City and half in Alton. The number of persons to be added has not yet been determined.

WORSTED-TEX

says you'll have a fit!
(in your size)

It's easy to get your size in a suit; one that is neither too big nor too small. But that doesn't mean it fits. Does the collar stand away from your neck? Then it doesn't fit. The collar should softly hug your neck. The jacket should drape from your shoulders, rather than hang. Armholes and trouser seat should be designed for comfort. What we're talking about is the Worst-Tex suit which fits like a dream in any size or shape. Come in and see what we mean. \$75.00

Historic Pulpit Exchange at Central Christian, St. John

A pulpit exchange has been arranged for this Sunday between Central Christian Church, 2020 Johnson road, and St. John United Church of Christ, 2901 Nantuxi road, motivated by the growing ecumenical spirit that has characterized most recent interfaith relationships.

Each participating congregation has expressed a desire to learn more about the heritage, history, teachings and practices of the other sister church.

This openness to and appreciation for the contributions and historic convictions of other branches of Christianity has played a major role in the inception, historic development and future aspirations of both the Disciples of Christ and the United Church of Christ, the pastors commented.

Participants Announced
In the historic pulpit exchange first for both congregations, the

Liturgy at St. John will be conducted by John Gordon, elder of the Central Christian Church. The message, "Who are the Disciples of Christ?", will be delivered by Rev. James Crank, pastor of Central Christian.

He will be introduced by Donald Treadler, president of the St. John congregation. The public is being invited to either of the dual services at 9 a.m. or 10:20 a.m.

The Sunday worship service at Central Christian Church will be held at 9 a.m. Paul Kratz, member of the Church Council at St. John, will lead the congregation in the opening worship service. Rev. Paul Surbey, pastor of St. John United Church of Christ, will speak at Central Christian on "Understanding God's Church." He will be introduced by James Townsend, elder of Central Christian Church.

Rose Clippings to be Given Away at Park

Granite City park district residents who admire the rose garden displays each summer at Wilson Park may obtain free bundles of rose clippings at 8 a.m. next Wednesday near the park pump-house.

Tiny Monroe, head gardener, will supervise the project and will answer questions on transplanting problems.

Most varieties of roses will be included. Park Superintendent Brown reports, however, due to an early frost this year, no flower clippings are available.

Teenagers Invited to Discussion of Problems

A teenage discussion group will be conducted by Dr. Martin Sonstegard and Dr. Raymond Troer, Northwestern Illinois University guidance and psychology professors, and Mrs. Howard K. Parker from 7 to 9 p.m. next Monday at the Kirkpatrick Homes recreation hall. Mrs. Parker, sociologist for the Division of Community Services, Illinois Youth Commission, said teenagers are being urged to attend and discuss their problems.

\$300 Fire Damage

West Granite Homes were called at 5:30 a.m. Wednesday to a shed fire at the home of Robert Young, 2918 Cayuga street, apparently caused by burning rubbish. Damage was estimated at \$150 to contents and \$150 to the shed.

Hagnauer Resigns Post In Community Services

Edw. Hagnauer submitted a letter of resignation as director of Community Services at a meeting of the 7th-City Trades & Labor Council Wednesday night at the Labor Temple.

Edwin Reiske, council president, said applications for the \$6500 a year position (plus expenses) are available at his office in the Labor Temple and must be submitted by Nov. 18.

He said a screening committee will interview candidates and applications are received and will make a recommendation to the council on the appointment. Community Services is a United Fund agency.

The council's executive committee took no action on a proposal by Wood River area unions to oppose the re-election of Circuit Judge Joseph J. Barr at the Nov. 3 elections, due to a temporary injunction ordered against unions in the Shell Oil refinery strike about two years ago.

The injunction was issued at an early morning hour, but Robert McCormick, council vice-president and chief deputy circuit clerk, said the unions were notified of the hearing at the same time as the company but did not appear. McCormick, president of the county employees' local, said that Barr has been helpful to union interests in the county on a number of occasions.

The council urged area residents, especially those connected with labor, to view a television program "Rx for a Nightmare" at 4 p.m. Sunday on Kmoxy in answer to a televised attack on "medicare" by the American Medical Association last Sunday.

GOP Committeemen Hear Ballot Explained

The Granite City Republican precinct committeemen met Monday evening at headquarters, 207 State street, with Chairman C. Luther Rudder in charge. The speaker Rep. Ralph T. Smith, who serves as Republican representative ballot for the Nov. 3 election.

The next meeting will be held Oct. 27 at headquarters.

Whitney Fined \$50

Steve Whitney, 45, of 1014 Douglas street, Venice, arrested last Saturday after he was reported to be flourishing a gun in his house, pleaded guilty Tuesday to charges of drunkenness and disorderly conduct and was fined \$50 and costs. A third charge of making criminal threats was dismissed. Whitney, unable to pay the fine, was ordered to work with the Venice city street department.

Next Monday the troop will hold a regular meeting and plan a tour of Grant's Farm Oct. 31.

Tool Box Stolen

Theft of a tool box containing ratchet sockets, end wrenches and drills was reported to Madison police Wednesday by Frank Littlejohn, Michelle Mathenia, Hale of Hale's Garage, 1417 Fourth street, Madison. Police said no estimate was placed on the loss. The tools were believed stolen sometime early Wednesday morning.

World Tour by Rotary District is Announced

An around-the-world tour Feb. 8-March 6 by Rotarians of this district was announced by District Governor Ben D. Kinnham Jr. during official visits to the Granite City and Madison Rotary clubs Tuesday and yesterday. Included will be a visit to the "sister district" in Malaya, which also plans to send a delegation to Illinois for the May 7-8 district convention. Kinnham reviewed district innovations which include fly-in breakfasts, art and photographic exhibitions, a contest to write a song about the "Live Rotary" theme, and tournaments in golf, bowling and other sports. He stressed that while meals, discussions and programs are included in Rotary meetings, it is community service that has enabled the organization to grow to a membership of 535,000 in 11,817 clubs throughout the world. He praised activities of the two local clubs, including the handling of police dogs for the Madison and Granite City police departments.

President Glenn Abenroth presented a \$2000 check to Mayor Leonard Davis at the Granite City Rotary luncheon to pay for purchase and training of two police dogs. Guests included George T. Wilkins, a past district Rotary governor, Madison Rotary President Lawrence Palkes announced that initial scholarship grants by the club will be announced next April.

Former GC Resident Dies at 40, of Cancer

Mrs. Geraldine "Jerry" Buchanan, 40, of Edwardsville, former resident of Granite City, died in the Missouri Pacific Hospital, St. Louis, at 5:30 p.m. Wednesday of cancer. She had been ill one year. Mrs. Buchanan attended schools in Granite City and lived here until 20 years ago. Besides her husband, Robert, she also leaves two sons, Douglas and Bobby, and a daughter, Judy.

She also is survived by her brothers, Charles Libby of Granite City and Leonard Libby of Washington, D.C.

Eagle Park Gas Service Postponed to Next April

Installation of natural gas lines to homes in Eagle Park has been postponed until next April. It was announced today by Cleveland Johnson, president of the Eagle Park Improvement Association, sponsor of the project.

The delay in providing natural gas service is due to an insufficient number of area residents applying for the service, Johnson said.

According to Johnson, natural gas lines will be installed in April along streets where residents pay a \$15 deposit at the Granite City office of Illinois Power Co.

lower interest rates were for the when more of the principal is to be paid. None of the proposals listed premiums.

The Nonard negotiated proposal of interest rates ranged from 3 1/2% to 4%, with the 4% paid in later years.

The bond ordinance had specified a maximum interest of 5%. The city presently is considering alternate proposals and has not yet awarded a construction contract for the treatment plant, which is to be located at the Army Depot. The low bid was \$1,206,432 by Nelson Construction Co., St. Louis.

The savings through selection of alternate equipment could go as high as \$40,000. The plant's completion date is not known.

To help with the treatment plant financing, the city also has received a federal grant of \$404,710.

GC Man Awarded \$105,000 Verdict

A circuit court jury verdict awarding \$105,000 damages to Frank Parizon, 2400 Clark avenue, was returned in Judge Michael Kinney's court at Edwardsville early Tuesday after five days of testimony.

The award was for permanent injuries received by Parizon in a fall from a new roof that was being installed on the north plant of the Granite City Steel Co., on Nov. 30, 1960. The suit, filed in 1961, had sought \$300,000 damages.

The suit was filed against Granite City Steel Co. and Bowman Steel Co., an Ohio construction firm which had contracted with Granite City Steel for installation of the new corrugated steel roof. The Bowman company had subcontracted with Kroeber Erection Co. of St. Louis by whom Parizon was employed when the accident happened. According to testimony, Parizon fell approximately 35 feet, landing on his legs.

William Beatty, Granite City attorney representing Parizon, said the case had two unusual aspects: one that it was filed under the Structural Work Act which requires parties responsible for construction work to provide safety facilities for workers such as proper scaffolding, guard rails and supports.

Secondly, Beatty said, the case presents the first instance in which it was established that a roof is considered a scaffolding, and that safety facilities should have been provided. Testimony brought out that the workers installing the new roof worked on the slating structure without safety rails or supports.

Mrs. Violet Signaigo Dies at 40, of Cancer

Mrs. Violet Signaigo, 40, of 2025 Fifth street, Madison, died at 5:30 p.m. Monday in St. Elizabeth Hospital where she had been a patient for the past two months. Death was due to cancer.

Mrs. Signaigo was born in Mount Union, Pa., and had been a resident of Madison 20 years. For the past 11 years she had been employed as a packer at the Swift & Co. plant.

She is survived by her husband, Elmer Signaigo, Carl, stationed with the U.S. Air Force at Blytheville, Ark.; two daughters, Mrs. Christine (Louise) Powell, Madison, and Miss Jennifer Marie Signaigo, Madison; six sisters, Mrs. Jeanette (Neske) Denver, Colo.; Miss Helen Christoff, Mount Union, Pa.; Mrs. Josephine Gallo, Brooklyn, N. Y.; Mrs. Mary Burgess, Alton Park, Mich.; Mrs. Ann Shue, Wichita Falls, Texas; and Mrs. Nora Roberts, Brooklyn, N. Y.; a brother, Andrew Christoff, Mount Union, Pa.; and one grandchild. A brother preceded her in death.

Funeral services are listed in the obituary column elsewhere in this issue.

GC Township Bills Amount to \$6575

Belief and town fund disbursements totaling \$6575 were approved Monday night by Granite City council members, including \$1439 from the town fund and \$5136 from the general assistance fund.

The relief expenditures were \$3149 for hospitalization and medical care, \$863 for food, \$336 for rent, room and board, \$125 for fuel and utilities, and the following administrative costs: half-month salaries, \$485; case-worker travel, \$27; telephone service, \$81; employee retirement, \$101 and office supplies \$1.

The \$1439 town fund disbursements were: \$846 for salaries, \$59 each travel allowance for the supervisor and assessor, \$154 for employee retirement, \$79 for the assessor's phone service, \$24 for janitor service, \$13 for supplies, \$30 for office machine maintenance for one year and \$120 for two deputy assessors, Julia Lancaster and Richard Reber.

GRANITE CITY PRESS-RECORD

OCTOBER 23, 1914
 The fact that the Granite City public library has established a new record for daily and weekly attendance during the month of September has greatly increased interest in this public institution. The library board, at the last meeting, decided to purchase a new encyclopedia and a several other new and valuable works.

It also was decided to use other funds for re-binding of old books and purchase of new books for the reading room. The librarian, Miss Laura Griffith, reports that the attendance is steadily nearing the 1,000 mark.

The Young Men's Democratic club of Granite City is making elaborate arrangements for a rally and meeting to be held Saturday evening, Oct. 24, at the home of Mrs. Wm. F. Wilson, Secretary of Labor. Hon. William N. Baile, Congressman, who is seeking reelection, and other prominent Democratic speakers will also be present. A 10-light parade and other type campaign features will be held prior to the meeting.

W. J. Maserang, delegate from Cascade Lodge No. 602, Knights of Pythias, returned yesterday from Quincy, where he attended the convention of the State Pythian officers. Thomas Williamson of Edwardsville, president of Illinois Grand Chancellor.

Mrs. W. H. Keys and children, 1416 Eighteenth street, left for Chicago to spend several days with relatives and friends.

"The mystery surrounding the following items were taken from the files of the Granite City Press-Record."

25 YEARS AGO
MONDAY, OCTOBER 23, 1939
 Representatives of the local A. F. of L., Central Trades and Labor Council and the CIO, East Side Industrial Union Council met in joint session at the LaSalle Hotel last night. They adopted a program for the immediate launching of a cooperative organizing campaign to complete the organization of all workers in the Granite City area.

A delegation of three city officials, headed by Mayor M. E. Kirkpatrick, made an inspection of the federal low-rent housing project in Vincennes, Ind., Friday and returned yesterday. "The construction material used in Vincennes is a new type of concrete block, masonry and laid in pairs," the mayor explained. "They are painted on the exterior and interior, furnishing a severely attractive picture but not without many attractive points."

Best of all, we found that the small three-story apartment for \$8 per month. And this includes all utility services with the exception of the telephone. Mayor Kirkpatrick was accompanied on the trip by Roy Huff and Charles Hakey. He expects to hear some word on the Granite City application for a \$750,000 project within a couple of weeks.

John H. Nicholson of California, one of the founders of the Cordon organization, will be the principal speaker at a meeting of the Tri-City Church on Friday evening, Oct. 23, at the Granite City E. Church. Alderman John H. Kleinschmidt, president of the local unit, will be the master of ceremonies and will preside over the program.

Loren Burns heads the Granite City high school top senior class again with Milton Reinhardt as vice-president, Ernie Graf, secretary, and Earl McDonald, treasurer. Low seniors re-elected were Clarence Hoy, captain of the football team, for the fourth time as president; George McDonald, vice-president; and LaVerne Rupp, secretary.

Junior class presidents are Robert Griffin and Edward Seidell.

Top sophomores elected as president Arthur Dixon, Melvin Hodge will be president of the new sophomores.

Freshmen students named as president Hiles and Dick Allen as their top officers.

Mr. and Mrs. William Anderson.

Marine Losses Walled
 Pfc. Earl Wofford, 2523 Sheridan avenue, reported at 10:40 p.m. Monday he lost his black wallet containing about \$10 in cash, a picture of his mother and leave papers somewhere in Granite City. The wallet had a Marine emblem.

Job Gain Here More Solidly Based Than National Surge

Census Bureau figures for the U. S. disclose that state and local government hiring led all other job gains during the last year for which statistics have been tabulated. But the 24% advance in Quad-City employment, from 16,025 a year ago to 19,861, is not only bigger but more solidly based.

Nationally, the 4.4% rise in local and state government employees compares with increases of 2.5% in construction and retail trade, 2.3% in service industries, 2% in finance and insurance and 0.6% in manufacturing.

In contrast, the bulk of the local gain in the past 12 months is found in durable goods manufacturing, which advanced 32%, from 11,024 to 14,583. Quad-City state and local government jobholders meanwhile rose by only four workers.

Since financing for all types of work can be traced to industrial production — which provides the taxes to meet government payrolls — the program is an example of a cycle that never ends, though it is only one of many U. S. communities experiencing an employment boom.

Truth—And Its Consequences

"We have already filled out too many of these forms."

We would guess quite a few Quad-Cityans have been tempted to write this and back one of the hundreds of registration blanks, questionnaires and other examples of red tape so prevalent in our complex society.

Only a difference between those who are tempted and those who are not is that the latter took the plunge and did it instead of completing a form sent to the municipal government by Moody's Bond Survey.

Now Alton has lost its AA rating for bond issues; it has no rating at all.

Generalities Obscure Valid Concern Over REA Expansion

Campaigns unfortunately tend to obscure details with generalities, and a good example is the Rural Electrification Administration issue. The fact probably will not get across to much of the public, but just for the record we will point out that the principal concern over REA is not that it exists but that its purpose is being changed.

Created to finance electric service to farmers who could not then be served on a normal commercial basis, it was never intended to be an agency to make loans to areas where investor-owned power suppliers have met the need. The present electric plants with tax-exempt facilities which also enjoy low-interest loans that are a direct burden on all taxpayers.

A recent \$36 million federal loan in Louisiana has jeopardized citizens' prior investment of other millions of dollars in generating equipment and transmission lines, and serves as a timely example of a practice that has met the frequent use of taxpayers' own money to put the federal government into competition with them.

Human Element Of Statistics

Since statistical reports fail to convey the human element of the figures rendered by the American Red Cross, a local Unit of the Red Cross, more detailed accounts of random cases are being furnished.

An example of the September assistance — 134 contacts and financial aid — is the case of a 20-year-old serviceman, his wife, 17, and their child. He had just returned from Korea and the family was reunited at home of her parents.

There had been a mix-up in his pay and they were without funds for food. They also lacked some of the basic furniture. A loan was granted for furniture and food and is being repaid by his "127 amount in small monthly payments."

Expect 200 at District Bar Association Meet

More than 200 lawyers and their wives are expected to convene at the Lockhaven Country Club at Alton Tuesday for the annual meeting of the Fifteenth District Federation of Local Bar Associations. The meeting will be presided over by the Federation and the Illinois State Bar Association.

Officers of the Illinois State Bar Association and representatives of the Association's sections and committees will present programs on various topics, including a discussion of the new developments in the law and problems in the changeover to the new court system. Wives of the lawyers will be entertained by the chairmanship of Mrs. Terry W. Francis of Granite City will provide entertainment for the wives and committees will be hosted at the hotel by the convention program.

Press-Record Circulation Gain Far Above Most Other Newspapers

The Audit Bureau of Circulation, an impartial organization that guarantees net paid circulation of newspapers and other publications, is currently celebrating its 50th anniversary. The Press-Record is an ABC member.

In connection with its golden anniversary, ABC is listing circulation increases of members from 1914 to 1964. While the Press-Record was not an ABC member in 1914, it is interesting to note that this newspaper's circulation has increased eight-fold in 50 years. Present net paid ABC circulation is now 17,461 each issue.

During the same period, the St. Louis Post-Dispatch has increased 2 1/2 times and the Globe-Democrat 2 1/4 times. The Chicago Tribune's circulation gain is 2 7/8 times, the Bloomington paper just under 3 times, the Springfield Journal about 3 3/4 times, and the Peoria Journal Star about 4 1/2 times.

The substantial circulation gain of the Press-Record, most of which has occurred in the past year, is not only a reflection of the dynamic growth of the Quad-Cities area but also — we like to think — a reflection of the larger community role of the Press-Record and this newspaper's constant efforts to provide its readers with a better newspaper.

A recent ABC audit of Press-Record net paid circulation showed that only 229 families from the entire area, though Mitchell on the north are not regular subscribers.

Higher Gifts Necessary To Meet United Fund Goal

Attainment of 63% of the goal at the initial United Fund report meeting offers encouragement that the drive will be successful. But there should be no relaxation, no diminishing of effort, lest the objective once again elude campaign workers and contributors.

Because \$335,000 is needed for 1965 operation of participating health, service and charitable agencies, each Quad-City resident and every local employee is being asked to give 11% more than in the past. This is an example of the generosity of the community at any time before the full quota of gifts and pledges is an accomplished fact.

General Chairman Joseph Glick is stressing that "every worker must ask for more — 11% more — if we are to reach \$335,000 by Nov. 4." With the target date now less than two weeks away, diligent effort and new heights of generosity hold the key to success. The United Fund — and thousands of youngsters and families in need of a helping hand — are counting on each citizen to respond.

If Daylight Time Ends, Can Winter Be Far Behind?

Temporarily brighter mornings will greet the semi-annual clock change this weekend as Quad-City once again revert from central daylight saving time to central standard time.

It will only be temporary, because the steady march of days leads toward the winter solstice, midpoint between the autumnal and vernal equinoxes, when sunlight is at a minimum.

By 11:00 p.m. noticeable winter restoration of the "lost hour" 2 a.m. Sunday will be the earlier dusk.

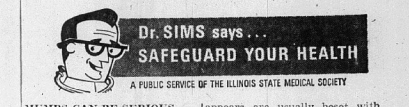

Soon, many will find themselves both going to work and returning home in darkness. It is at this time that the winter season fully upon us, regardless of what the calendar or thermometer may show, and thoughts of local residents will begin to dwell on spending more of their leisure outdoors with their families rather than soaking up the sun in outdoor pastimes.

For "night creatures" as well as those who prefer daylight hours, the orbiting sun and the dictates of our timepieces exert a profound effect on our daily life and our attitude toward it. This will never be more apparent than on Sunday — to all who prefer to allow for the latest time change.

A man is known not only by the company he keeps but by the company that keeps him.

Freedom's Meaning

The source of freedom and the force that sustains it is the people's standard of character and conduct.

MUMPS CAN BE SERIOUS
 —ESPECIALLY IN ADULTS—

Mumps is considerably more than a case of swollen neck glands. One complication of this disease — called orchitis — can cause sterility in the adult male. In the adult female, an attack during pregnancy may harm the unborn infant.

Generally, a childhood bout with the mumps does not lead to serious complications. For this reason, many authorities recommend exposing children to the disease before they reach puberty.

This is NOT positive protection, however, because the disease can strike a person more than once during his lifetime.

Winter, Early Spring
 An early first outbreak, especially prevalent in winter and early spring, mumps usually causes painful enlargement of the salivary glands in front of the ears, under the tongue and lower jaw.

Though it's quite common for only one side to be affected, both sides of the face can be involved. In some cases it's difficult for the patient to talk and eat.

Contrarily, at any age, mumps can most frequently attack children from four to 15 years of age. The infectious stage begins a day or two before the swelling appears and lessens as the swelling subsides.

Usual Symptoms
 The two days before swelling appears are usually beset with other miseries for the hapless mumps victim. Usual problems are fever, lack of appetite, headache, vomiting and a general aching throughout the body.

While there may be a fever, usually reaching a peak of 102 to 103, there may be none at all. Fevers higher than 103 usually indicate some serious complication.

Fortunately, mumps contracted in childhood is seldom painful or serious. The disease process is self-limiting, with a gradual subsiding of symptoms, which usually disappear after eight to 10 days.

Protect Adult Males

The child problem is protecting adults from mumps — especially adult males.

Whenever an adult who has mumps is exposed to the disease, he should report to his physician immediately. The physician can protect him from prevent complications. He also can provide temporary immunity by giving him a shot of gamma globulin, followed with an injection of mumps vaccine to provide longer immunity.

Fortunately, mumps in adults is dangerous. What's more, it's so highly contagious that infected adults is common.

For these reasons this little bit of advice to adults is worth repeating. If you've been exposed to mumps and haven't had the disease previously, see your physician — immediately.

Reacting to Child Misbehavior

Further suggestions to parents from the YMCA Community Child Guidance Center.

Very often we can discover a child's goals by observing our own reactions to his behavior. For example, when his goal is attention getting, we respond by feeling annoyed and that we need to remind and coax him.

When his goal is power, we respond by feeling provoked and get into a power contest with him. "You can't get away with this."

When his goal is revenge, we respond by feeling hurt and "I'll get even."

When his goal is display of inadequacy, we respond by feeling despair and "I don't know how to do it."

If your first impulse is to react in one of these four ways, you can be fairly sure you have discovered the goal of the child's misbehavior.

DO NOT ACT ON YOUR FIRST IMPULSE
 By acting on your first impulse you tend to amplify the child's misbehavior patterns rather than correct them. You react in accordance with his expectations and thereby fortify his mistaken goals.

What can you do if you don't know what to do? First, think of what you know you'd like to do and refrain from doing it. The rest is usually all right. Second, imagine what the child expects you to do, then do the opposite. That throws the child off guard; and then you can arrange with him what to do about the situation.

MINIMIZE MISTAKES. Making mistakes is human. Regard your mistakes as inevitable. Build on the positive, not on the negative. For example, instead of pointing out how poorly he did his school work, instead how well he can handle his school work.

DON'T BE CONCERNED WITH WHAT OTHERS DO. You accept responsibility for what you do.

Most Stores to be Open Veteran's Day

Practically all Quad-City stores will remain open on Veteran's Day, Nov. 11, and will maintain regular store hours. It was reported today by Alvin T. Barnes, executive director of Associated Retailers, Inc.

While merchants have been open under their existing union agreements, most of the stores have conducted business as usual on Veteran's Day because other business places in other communities of the surrounding area have been open on the holiday, creating a competition that must be met. Barnes pointed out that his members' policies of Goldwater and his.

SUGGESTION, NOT HEART, SHOULD GUIDE VOTING

Sometimes a few votes have decided elections and changed the course of state and federal history. As the general election nears, we must use sound judgment.

Our nation must remain strong; the right of the American people to vote was preserved by those who risked their lives for it.

What should you do for the Democratic party because:

1. Communism is a worldwide conspiracy with the objective of world domination. The evil regime of Red China has 600,000,000 slaves who know nothing of freedom and democracy. Here is the fairest part of the earth, the most civilized portion of the world, is guarded by ancient renown and distinguished valor. Elimination of NATO is the first objective of the Kremlin.
2. We must not be triggered by the "peace" part of the Treaty. Treaties must be rigidly observed. For the cause of freedom and peace, we must support whatever action is necessary to keep peace at our door.
3. Voters and Chairmen heard the saying, "You know in your heart." We should use our mind and not just our heart. As years of political activity I have weathered many

FORMER RESIDENT SHOCKED AT SMOKE

Each time I come back to my hometown area, I'm shocked at the haze of filthy smoke that hangs over Madison, Granite City and surrounding towns.

When I'm approaching your town, for miles away, I can see the orange and gray smoke hovering in the air.

Something can be done in this day and age to control smoke and haze. Someone has to come forward and do something about this dreadful situation.

I believe the smoke and dirt situation and the gaseous smell have gone on too long in this area. Perhaps some noble, interested citizens have voiced objection to the condition, but perhaps a greater force is needed.

Pure air is so important to the health. I wish that I could help. But I'm like a voice in the wilderness. Still, I'm aware of smoke and dirt every time I come to Madison and Granite City.

Gary Greene Remains Active

19 Checkerboard Squares Set for Hoosier Festival

Gary Greene, Checkerboard Squares chair now in the Air Force, is continuing to display the qualities which elevated him to the top four of the nation's teenage callers, according to Bob Boyd, director of the local group.

After eight weeks in the Air Force, he has been promoted to E-5, airmen third class. He took five weeks of basic training at Lackland Air Force Base, San Antonio, Texas, and currently is attending the Air Force administrative school in Amarillo, Texas.

Boyd said the Checkerboard Squares are continuing without him, and a representative group of 19 children will perform Friday, Saturday and Sunday at Evansville, Ind., upon the invitation of the chairman of the eighth annual Hoosier Square Dance Festival.

The exhibition at Evansville will be the first showing of a Springfield on Oct. 11 to attend new interpretive type number in an Indian theme, with the dancers coming onto the floor representing the club in presenting "Call" by Sherine Boyd. Suzanne her with a can of "Johnson" Boyd is doing the choreography. Their second number will be in complete contrast with a Checkerboard version of "My thanks to you and the Teen-Dems of Granite City for lending your enthusiasm and spirit to the rally in Springfield this past Sunday. I loved seeing your big sign and I was especially appreciative of your thoughtfulness in presenting me with a can of Johnson's. It will be a wonderful souvenir of a most exciting day.

Boyd said she will be working for Lyndon Johnson. "We'll be even prouder come Nov. 3," she said. "Miss Raub is a top senior at Granite City high school and will attend Washington University in January."

Two Enroll at Stout
Jean L. Luschning, daughter of Mr. and Mrs. Frank Luschning, 3123 Colgate place, and Robert Maxwell, son of Mr. and Mrs. Finley Maxwell, 2501 Benton street, have enrolled for the fall semester at Stout State University, Menomonie, Wis.

Scholarships are given on the basis of competitive examinations and financial need, with money furnished from firms and people in the graphic arts industries.

GCHS Homecoming Starts Monday

Granite City high school will celebrate its annual Homecoming week beginning Monday on the theme "Love Makes the World Go Round."

Highlights of the week will be the football game with Edwardsville's Tigers on Friday, the coronation of the Homecoming queen and presentation of the Homecoming play "The Enchanted" on Wednesday and a can of Johnson's on Thursday night.

School halls will be decorated with signs and posters by Monday morning. Speech students will be selling tickets to the Homecoming play in addition to field work. Thursday night, the Homecoming parade will feature floats in the Homecoming parade Tuesday evening. The play, "The Enchanted," will be presented by the play Thursday night.

Seniors to Attend SIU Should Start Making Plans Now

High school seniors who plan to attend Southern Illinois University next year should begin making plans and preparations now, according to SIU officials. Charles J. Chamberlain, SIU admissions director, said such students may initiate action by writing his office of their intent and requesting an admission packet. They will receive further information by return mail when they start accepting admission applications for 1965 on Nov. 1. Admission can be approved on the basis of seven semesters of high school work.

Illinois residents ranking in the upper two-thirds of their high school classes can be granted tentative admission in good standing to begin their studies at SIU any quarter. Those in the lower third will not be granted admission until their graduation next year, and then on scholarship probation with enrollment delayed until the winter quarter or later.

Out-of-state applicants must rank in the upper 40% of their classes for regular full term admission. Both Illinois and out-of-state students receiving high scores on the American College Test (ACT) may be admitted for fall quarter studies. Chamberlain said all entering freshmen must take the ACT test, given nationally four times a year and usually administered in high schools. Dates for the test for 1964-65 are Nov. 7, Feb. 20, April 24 and June 19.

Entering freshmen also are urged to get social security numbers for permanent identification in the electronic records system now in use at SIU. Chamberlain said prospective students are invited to write the SIU admissions office, Carbondale, with any questions. In any event, he said, the sooner they act, the better.

Hootenanny Planned At 'Y' On Saturday

A hootenanny will be held from 10:30 a.m. to noon Saturday at the YMCA for all junior and senior high school students. Various folk singers and musicians will be featured, and students will take part in singing. On the schedule is Chuck Gibbons of Granite City, professional folk singer and guitar player. He has played at hootenannies all over the States and in Korea. He will sing some of his original compositions and will lead the youths in singing.

Dave Walker, youth department director who led Tri-Hi-Y club members in songs last week, also will participate, in addition to Mrs. Bonnie Fuller and Brian Freeman of the "Y" staff. Mrs. Mildred Taylor will provide the piano accompaniment. A fee of 25 cents will be charged non-members.

Mock Election Set At GCHS Monday

A mock election for presidential and vice-presidential candidates will be held Monday at Granite City high school under the sponsorship of the Journalism class and the High World, school newspaper.

Ballots may be cast during the day in room 105 throughout the school day. Each student is eligible to vote.

Swim Session Friday For Junior High Group

The YMCA is inviting junior high school students to go swimming from 2 to 3 p.m. Friday in the "Y" pool as school will be dismissed for the day.

Ralph Limberg, new men's program director, will be in charge during the session. Those not wishing to swim may use the Teen Town lobby. Students are to take their favorite records, and a list of the most popular top hits will be made. A fee of 25 cents will be charged non-members wishing to participate in the swim session.

A Halloween party will be held Oct. 30 and it was determined to construct a "haunted house" in the school gymnasium. A small fee of two cents may be charged. To be refunded if the junior high swimming session and the Halloween party are both held.

Pledges Social Sorority

Miss Sandra Jean Noeth, daughter of Mr. and Mrs. Fred Noeth, 40 Terrace lane, has pledged Chi Omega national social sorority at Culver-Stockton College, Canton, Mo., where she is a freshman. She will undergo a semester of pledge training before becoming active in the group.

Grades Automated At GCHS But Not The Studying

First report cards issued at Granite City high school since adoption of an automated system have been given out to students this afternoon.

Produced by high-speed business machines at the McDonnell firm in St. Louis county, the printed cards will not be as easily altered as the former report cards with grades written in ink. And there will be only one card per student, rather than one for each class, making it easier for parents to be sure they are learning all of the offspring's grades.

New features include an up-to-date listing of graduation credits, showing how far a student has progressed toward the 18 necessary to graduate from GCHS; his grade average for the current six-week period; and an accurate average of all of his grades since entering high school. Instead of taking up time for distributing and collecting report cards in each class, the distribution will be carried out during a special 10-minute session near the close of the school day, with students assembling where their morning counseling class meets.

The new cards need not be returned and may be retained as a permanent record by the student or his family.

Dad's Day Celebration Set Saturday at U. I.

Fiedler to Enter National Judo Meet Nov. 7-8 in Miami

Jim Fiedler, a member of the Y's Guys Hi-Y club, will enter the national open junior judo championships Nov. 7 and 8 at Miami, Fla.

The meet, sponsored by the Judo Black Belt Federation of America, will attract the top competition in the junior division across the country.

The Y's Guys club has presented Jim with a \$25 check to help cover expenses.

Not yet 17 years old, Jim will still be able to enter as a purple belt (junior division) for the Miami competition. In adult competition, he enters as a second-degree brown belt. Last spring he took two first-place championships and tied in another in his only attempts in the adult field.

Jim, son of Mr. and Mrs. Roland A. Fiedler, 3304 Bradley avenue, has participated in judo since the age of 12. His record for the last two years consists of 17 first places, one second, two thirds, a tie and one loss.

Mitchell Kiwanis Honors Past President Smith

A recognition dinner honoring Thomas Smith of Clearwater, Fla., a past president of the Mitchell Kiwanis, was held Monday evening at the Luna Cafe. Mitchell, 30, attended the affair which was combined with ladies night.

Smith, a former Mitchell businessman, retired last December. He was presented with a walnut plaque engraved with the Kiwanis emblem and inscribed with the names of past presidents and club members.

Eugene Durrett, president, gave the invocation and introduced the guest speaker, Divisional Lt. Gov. George E. Hart of Glen Carbon, who discussed the Kiwanis current membership drive being conducted on an international basis.

SWIU Schedules Concerts At Alton, E. St. Louis

Joseph Gingold, former concertmaster of the Detroit Symphony and the Cleveland orchestra, and Pianist Walter Robert will be featured in two recitals scheduled by Southwestern Illinois University Friday. The pair will be heard during the Friday Evening Recital Series at SWIU's Alton Center auditorium at 8:15.

Earlier in the day they will present a 40-minute program in the Quiet Lounge at SWIU's East St. Louis Center beginning at noon. Gingold played with the NBC orchestra for seven years under Arturo Toscanini and was first violinist with the NBC String Quartet. Robert, who studied at the Vienna Conservatory of Music, has performed in four European countries in addition to the U.S., Canada and Cuba. Both men currently are professors of music at Indiana University.

Teachers Institute Scheduled Friday; Schools to Close

Teachers of public schools in Madison, St. Clair, Bond and Clinton counties will convene Friday morning for an all-day series of institute meetings to be held in various locations in Madison and St. Clair. Schools will be closed in all four counties.

The institute will be devoted to a series of sectional meetings, each devoted to particular topics. Twenty-two such sessions will be conducted, four of them in Granite City. All sessions will convene at 9 a.m.

All are to adjourn at 1 p.m. because the first sectional will meet in Loomis Hall of Southwestern Illinois University at Alton under direction of Eugene A. Jass, director of art education at Granite City. It will close at 3 p.m.

Granite City meetings will include the Industrial Arts section at the high school under direction of Booby Neighbors of GCHS; the administrators and superintendents section to be held in the Granite City high school auditorium under direction of Lawrence C. McCauley, GCHS principal; and the Special Education section at Coolidge junior high school under direction of Harold Thomas, director of special services in Granite City.

Members of the panel of the latter section will include Mrs. Beatrice Pyle, Granite City school nurse, and James Reiderhoffer of Venice, chief probation officer of Madison county.

Complex Ballot Problems Face Voters in Nov. 3 Election

Madison county election officials are preparing to handle the most complex balloting in the county's history on Nov. 3 — an election that may take poll workers two or three days to complete tabulations and determine the results.

Not only are the election officials confronted with unusual problems, but the voters as well face an experience unlike anything they have encountered in previous elections. Use of special ballot boxes and special arrangements and facilities for counting ballots have been made by the office of Miss Enolia Holt, Madison county clerk.

Most of the problems result from the multiplicity of election contents and special issues requiring separate ballots — the largest number ever to confront officials in a single election.

When Madison county voters go to the polls they will be handed six ballots, one of them three feet long and a foot wide. Each ballot will be a different color — white, tan, blue, green, pink and orange. All of the ballots, Miss Holt explained, will be given each qualified voter who, after marking them, is to cast five of the ballots in the regular metal ballot box and the sixth, the large, three-foot orange ballot, in a special box provided for that purpose.

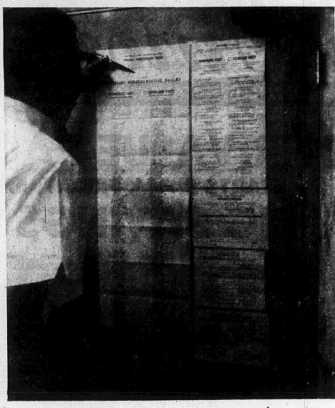

236 Candidates Listed

The orange ballot is the one presenting the most difficulty. It carries the names of 236 candidates for the Illinois Legislature, all of them running on an at-large basis because of the failure of the Legislature to reapportion itself. The ballot contains two columns of names, 118 to each column, with 177 to be elected. The 177 receiving the largest number of votes will be elected and the counting of these ballots is expected to require considerable time, particularly if there is a large number of split ballots.

Driver Fined \$50, Costs After Two-Car Collision

Thomas Marlette, 3559 Edwardsville road, was fined \$50 and costs upon pleading guilty to a charge of driving without a license after his station wagon collided with a car driven by James Rehms, 2528 East 24th street, at 7:55 a.m. Tuesday at 24th street and Madison avenue.

Rehms had made a left turn into Madison and headed south when Marlette started to east across Madison avenue. Marlette said he did not see the Rehms auto.

By Paul Record Staff Photographer

CONGLOMERATION OF SIX BALLOTS that will face Quad-City voters Nov. 3. The sample ballots (all yellow) do not show the colorful array. At the left, top, is the orange Legislature candidate ballot, and below it is the pink ballot for the county tax rate referendum. On the right, top, is the white ballot for national, state and county candidates, and below it are the tan ballot for the county maps and plats referendum, the green ballot for election of circuit judges and the blue ballot for state constitutional amendments.

East St. Louis, Republican candidates are Associate Circuit Judge Peyton H. Kincaid, Marquette, Stanford S. Meyer, Belleville, and James B. Wham, Centralia. Voters are to ballot on these candidates.

In addition to the orange and white ballots, Madison county voters also will be handed a blue ballot containing two proposed amendments to the Illinois constitution; a pink ballot on which voters will vote for or against a proposal for restoring Madison county's 10-cent general fund tax; a tan ballot for voting on authorization of a one-half cent county tax for maps and plats; and a green ballot for voting on the issue of retaining three circuit judges.

The proposal for amendment of the constitution in the blue ballot will be voted upon statewide. One proposal would require the Illinois Legislature to meet each year rather than every two years. The additional session would be held in even-numbered years and would be restricted to financial matters. The other proposed amendment would empower the Legislature to provide for the orderly continuance of government in case of emergencies such as attack.

Two-Thirds Required

A two-thirds majority vote is required throughout the state for passage of the amendments. Provisions of both, if approved by the voters, would take effect immediately.

By voting yes on the proposal to return Madison county's general fund rate to 10 cents per \$100 assessed valuation, as it was in 1961, county officials contend the voters will rescue the county from prospects of deficit financing. The present Madison county rate for the general fund is limited to 5.68 cents and is expected to produce only about \$466,850 for the coming year to meet expenses expected to reach \$722,528. County officials said deficit

Judges on Ballot

In addition to the large orange ballot, Madison county voters will receive the "regular" white ballot which will contain the names of candidates for national, state and county offices. The white ballot also will include candidates for three appellate judgeships to be filled for the 15th judicial district.

Democratic candidates include George J. Moran, Granite City; Edward C. Eberbacher, Shelbyville, and Joseph H. Goldenherch

spending or a cut in services is the only alternative if the proposition is rejected. This proposition is on the pink ballot.

The proposition for a special tax to maintain the county maps and plats division also is based on present fund shortages. The proposal on the tan ballot, calls for a special tax of one-half cent per \$100 assessed valuation to finance the department's operations in the future. The maps and plats division is now financed with approximately \$15,000 per year provided out of the general fund. Officials say the amount is insufficient to properly conduct the work that should be done in the handling of the county's 170,000 parcels of property. The total amount of tax that could be extended under the tax rate provided by the proposition is \$41,213.

Must Mark Separately

Last of the separate ballots is the green ballot calling for retention in office of three judges of the Third Judicial Circuit. Voters must make separate marks for each of the three judges — Joseph J. Barry, Harold R. Clark and James O. Monroe Jr. — in the boxes provided for yes or no answers in each case.

One of the biggest prospective headaches anticipated by election officials is the time that may be required to pass the voters through the polling places on election day. The orange "at-large" ballot is expected to require more time than all five of the other ballots combined, particularly in instances where voters wish to split their votes for candidates of both parties.

A state law requires that a voter take not more than five minutes to mark his ballot, but it appeared today that out of necessity there is little likelihood of the statute being enforced to any degree, except in extreme cases.

Truck Hits Parked Car

While trying to park a pickup truck owned by the Young Greenaway Co., Theodore Kellermann, 1806 S. State street, drove into a car owned by the Dale Construction Co., 1842 Delmar avenue while it was parked in front of the firm Monday. Both vehicles were damaged.

Two Autos Damaged

A parked car owned by James D. Turner, 1732 Rhodes street, Madison, and a car driven by Alan E. Mott, 2029 Harris avenue, Madison, were damaged extensively in the 2000 block of Edwardsville road Monday. Mott said he was driving east on Edwardsville road and that the sun blinded him so that he could not see the parked auto. Both cars were towed away.

WALTZ THROUGH WASHDAY

**The sun always shines
...with an electric dryer!**

When the weather outside is frightful, the drying inside is delightful—with an electric dryer.

Easy, Carefree. Lets you waltz through washday.

An electric dryer frees you from the drudgery of repeated trips to the clothesline with heavy baskets of clothes; that weary up-and-down bending and stretching while hanging clothes; the worry of bad weather. Instead, an electric dryer gives you more time to play with the children, bake more cakes, knit more clothes, read more books. Helps keep you looking fresh when your husband returns from work.

To say nothing of how wonderfully your laundry benefits, clothes are dried quickly, gently, come out smelling and looking sanitary clean!

For all that's new in dryers—at attractive terms...

Jerry Wilson Promoted To Army Specialist Five

Jerry W. Wilson, a son of Mr. and Mrs. John W. Green, 2205 Missouri avenue, was recently promoted to the rank of Army specialist-five (Sp/5). Specialist Wilson is a chaplain's assistant for the division chaplain's office of the 2nd Armored Division at Fort Hood, Tex.

He has been assigned to the 502nd Administration Co., and with his wife, Carol, lives at 112 West Avenue G, Temple, Tex.

Wilson entered the Army in January 1963 and took his basic training at Fort Leonard Wood. He graduated from the Granite City high school in 1957 and attended Southern Illinois University, Carbondale. He was a former office worker at the Press-Record and later was employed by Emerson Electric Co., St. Louis before entering service.

Halloween Party for Children at Long Lake

Long Lake Amvets will hold their annual Halloween party for children of the Long Lake area at 7:30 p.m. Friday, Oct. 30, at the Long Lake fire hall. It was announced this week by Thomas Staicoff.

Staicoff, president of the Village of Pontoon Beach, is serving as chairman of the party for the third successive year.

Quad-Cityan to Report For Draft on Monday

One Quad-Cityan is to be drafted Monday and three youths are to report to the county selective service board at Edwardsville for pre-induction physical examination.

November quotas also were announced this week. Two youths are to be drafted Nov. 25 and 17 eighteen-year-olds are to report for pre-draft physicals on Nov. 30.

Two Autos Collide

Car driven by Mark Pickett, 2825 Edison avenue, and Robert E. Chapman, St. Louis, collided Monday at 27th and State streets. Pickett was going east and the other driver was headed north. Both autos were damaged.

Dr. Simpson to Speak At First Presbyterian

Rev. Dr. John E. Simpson of the editorial staff of Presbyterian Progress in Illinois will be guest speaker and show pictures of the various Presbyterian Colleges, homes for the aged, hospitals, orphan homes, and other institutions at a 6:30 supper meeting Wednesday, Oct. 28 at First United Presbyterian Church, 22nd street and Delmar avenue.

Dr. Simpson is a past director of Church Relations at Monmouth College, director of Capital Fund of Illinois Synod, and the Illinois United Presbyterian Home for the Aged. He is a graduate of Monmouth College, Monmouth, Ill., and Pittsburgh Theological Seminary. His pastorate include Pittsburgh, Buffalo, N.Y., and the Chicago area. The author of 10 books on Christian stewardship, some of which are translated into five languages, Dr. Simpson received the Presbyterian General Assembly Award for Distinguished Service in 1961.

Collide in Madison

Two autos were damaged at 6:20 p.m. Monday at Third street and Washington avenue in Madison. Police said a car driven by Scott Clark, East St. Louis, was headed west on Third street, and one driven by General C. G. Hollins, 414 Second street, Madison, was making a left turn off Washington into Third street when the collision occurred.

Speeder Fined \$35

Herbert E. Holey, 2208 Elm street, was fined \$35 and costs Monday by Magistrate Gasparovic after pleading guilty to speeding 100 miles per hour on Highway 3 about two miles north of By-Pass 66. He was arrested Oct. 5 by state police.

Jos. Acquaviva Elected President of GC Kiwanis

The Granite City Kiwanis named Joseph Acquaviva as the new president during a weekly dinner meeting Monday night at the Rose Bowl restaurant. He has filled the office for the past three months, completing the unexpired term of Harry Marshall, who resigned due to ill health.

Elected to serve with Acquaviva were Herbert Schanno, first vice-president; Peter Jel-

len, second vice-president; and Marvin Barnes, treasurer. Board members named were Eugene Fey, Melvin Gilie, Roy Foster, Wilbur Waggoner, Marshall, Sam Wolf and Allen Jesse. An installation ceremony is being planned for December.

Henry Holrich of the Granite City Steel Co. was the guest speaker and presented a program on the United Fund campaign. He illustrated his remarks with a film strip.

To kickoff the club's peanut sale, slated for Oct. 30 and 31 throughout the Granite City area, a "ladies night" is planned for next Monday at the Rose Bowl when volunteers will be sought to assist with the project. Guest speaker will be Frank Rogers, chief metallurgist for Granite City Steel, who will discuss the topic, "Our Changing Needs in Education."

Melvin Gilie, manager of the new W. T. Grant Store in Nantux Village Shopping Center invited members to a dinner at the store Nov. 2.

The Woman's Touch in the Tri-Cities United Fund Drive

The woman's touch is being added to this year's Residential division of the Tri-Cities Area United Fund campaign to raise \$335,000, with Mrs. J. C. Byers and Mrs. Sylvia Fleishman in charge of the volunteers for the Granite City-Mitchell area.

William F. Hoelscher, who heads the special house-to-house solicitation division, began several months ago to call upon women's organizations to participate in the campaign and he said the response and cooperation was splendid.

The group has received prospect cards for Granite City and Mitchell area residents who

Week of Instruction
For Jehovah's Witnesses

The local congregation of Jehovah's Witnesses has scheduled a special week of activity for next week upon the arrival of Addison L. Abernathy, circuit supervisor of 17 congregations of Jehovah's Witnesses in south central Illinois. Harold Clanton, local preaching minister, announced today.

Besides the five regular meetings, a special program is being arranged for Oct. 31 at 8 p.m. which will include a question and answer session on Bible questions. On Nov. 1 at 8 p.m. Abernathy will speak on "Do All Religions Lead To Eternal Life?" An hour Bible study and half-hour talk by Abernathy will end the special week of activity. The meetings will be held at the local Kingdom Hall, 2822 Palmer

Woman Says Strange Man Slaps, Knocks Her Down

A case of assault was reported to Granite City police at 8:30 a.m. Tuesday by a woman residing in the 1900 block of Grand avenue. She said that as she left her apartment at 3:30 a.m. to go to work, a man got out of a light colored 1959 auto; met her on the walk, snatched her around and knocked her down.

"She said she screamed, and he ran back to the car and left. She noticed another man in the car when it drove away. She said she never saw the man before but described him as six feet tall and of slender build, wearing light trousers, a dark cap and a dark denim jacket. . . . The public is being invited to attend."

GC Man to Face Charge On E. St. Louis Theft

William Horne, 39, of Granite City, was released to the custody of East St. Louis police Monday after he was unable to make \$1000 cash bail set here by Magistrate Gasparovic on a St. Clair county warrant charging theft of an automobile.

He is to face the charge before a St. Clair county magistrate. He was arrested Friday afternoon in a car in the 3100 block of Jill avenue and was fined \$40 and costs on a drunk charge here. Police said the car he was in had been stolen in East St. Louis.

Man Faces Two Charges

James Morgan, 3728 Ruth avenue, was arrested at 1:20 p.m. Tuesday on charges of disorderly conduct and destruction of property. The complaint was signed by Dorothy Messinger.

City Ok's Replacement Of St. Clair Sidewalk

Nearly 50 members of the new St. Margaret Mary Catholic parish were present at the Granite City council's Monday night session.

The city and church representatives are to confer with levee district trustees for an extension of the sidewalk over the Namecki storm water drainage ditch on the side of the bridge crossing the road.

Alderman Betts said the old St. Clair committee had "disappointed the people with its six-week delay" on the project and should apologize. Former Street Chairman Stearns replied that he was absent when the proposal originally was presented and that he was unable to get a

clear picture of the work from the aldermen and others involved and had requested the church submit drawings. "There were three different ideas ranging up to 300 feet of replacement," he added, "including a report from Ponce that the church would be willing to do the job."

Partney questioned the cost of the work, but no one had a figure.

"There still was no figure available at Tuesday night's emergency council session when a resolution was presented for using future sales tax funds for

replacement of up to 300 feet of the sidewalk under contract with a private firm, not the street department.

An effort to approve the resolution with suspension of rules failed, and it was placed on first reading for Tuesday consideration.

Under consideration still is a transfer of surplus curb and gutter replacement funds to the sidewalk replacement fund, which cannot be done until six months of the fiscal year are over, on Nov. 1, according to an opinion by George F. Coffey Jr., city attorney.

The sidewalk along the school-church property had been in
